3. Supply the missing letters in the following words :

 F --	 C --	 F --	 T --
---	---	--	---

4. Reading comprehension

Read the following passage then answer the

questions:

The giraffe is one of the world's tallest mammals. They are known for their long necks, long legs, and spotted body. Giraffes have small horns at the top of their heads that grow to be about 5 inches. These knobs are used to protect from an enemy. Male giraffes are taller than female giraffes and can stand nearly 19 feet tall. Most giraffes can live up to 25 of age in the wild. They like to live around the savannas of Africa. With the giraffe's neck being so long, they are able to eat leaves from acacia tree. Giraffes can go many days without drinking water and can live by eating wet leaves.

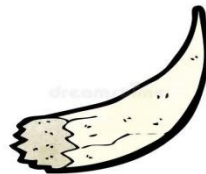

Read and mark (✓) or (×) :

1. Giraffes are very tall. ()
2. Giraffes have short necks. ()
3. They have striped body. ()
